ITEM-100: Increase Funds for Kellogg Park South Restroom Project.

(La Jolla Shores Community Area. District 1.)

CITY MANAGER’S RECOMMENDATION:

Adopt the following resolution:

(R-2005-783) ADOPTED AS RESOLUTION R-300189

Amending the Fiscal Year 2005 Capital Improvements Program Budget for CIP-29-471.0, Kellogg Park South Restroom (Project), in Fund No. 79514, La Jolla/La Jolla Shores Development Impact Fee by increasing the budget amount by \$50,000;

Authorizing the City Auditor and Comptroller to appropriate and expend an amount not to exceed \$50,000 from CIP-29-471.0, Kellogg Park South Restroom, Fund No. 79514, La Jolla/La Jolla Shores Development Impact Fee, for the purpose of supplementing existing funds for the construction of this project.

CITY MANAGER SUPPORTING INFORMATION:

The existing Kellogg Park South Restroom was constructed in 1958, and the masonry structure is damaged to an extent that is beyond repair or remodel. This project provides for demolishing the existing restroom facility and replacing it with a new facility to be constructed in the same location. Starting in January 1998, twenty eight (28) public meetings were held resulting in

numerous redesigns and scope additions to the project. Ultimately, on December 10, 2002, the City received bids for construction of this restroom that were significantly higher than the construction budget. All bids were rejected and the project was put on hold. At that point, \$227,000 of the original \$543,000 project budget had been expended. This initial project work occurred prior to the current streamlining policy, "Community Notification and Input for City-wide Park Development Projects", Council Policy No. 600-33.

In an effort to see the project implemented, the project was subsequently redesigned by Mr. Dale Naegle, FAIA, who donated the majority of his design fees. Louis Beacham, a community resident, has offered to construct the project at cost. A sole source construction contract for \$300,000 was awarded to Beacham Construction, Inc. The combination of donated professional design services and acceptance of the construction proposal via the sole source process has saved the City considerable expense, making it possible for this project to proceed. If this were not done, the project would remain on hold. An additional \$50,000 is needed to pay for the minimal redesign costs, building permits, capacity charges and administrative costs. Appropriation of these additional funds will enable completion of the project.

FISCAL IMPACT:

The new total project cost for the current design is \$366,000. Currently \$316,000 is available in the project budget. Additional funding in the amount of \$50,000 is available for this request from La Jolla/La Jolla Shores Development Impact Fees, Fund No. 79514, to supplement existing funding. The total estimated project cost for the original designs plus the current design is \$593,000.

ITEM-101: Washington Street Improvements Phase 2 India Street Segment.

(Uptown Community Area. District 2.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2005-854) ADOPTED AS RESOLUTION R-300190

Amending Fund 79512, Uptown DIF, Washington/Goldfinch Intersection Improvements Segment, by appropriating an amount of \$60,000 for Capital Improvement Project CIP-39-216.0 Washington Street Improvements, Phase 2;

Authorizing the City Auditor and Comptroller to appropriate and expend an amount not to exceed \$60,000 from Fund 79512, Uptown DIF, Washington/Goldfinch Intersection Improvements Segment, in CIP-39-216.0 Washington Street Improvements, Phase 2, solely and exclusively for the purpose of constructing the Washington/Goldfinch Intersection Improvements Segment, provided that the City Auditor and Comptroller first furnishes one or more certificates certifying that the funds necessary for expenditure are available.

CITY MANAGER SUPPORTING INFORMATION:

The Washington Street Improvements Project consists of Phased improvements to the right of way along Washington Street from the I-5 Freeway to First Avenue. Phase I has been completed. Two segments of Phase 2, CIP-39-216.0 are now ready to proceed. These include Washington Street at India Street Median Improvements and Washington/Goldfinch Intersection Improvements.

Engineering plans have been prepared for the Washington Street at India Street Median Improvements segment utilizing North Bay Redevelopment funding. In addition, Nowell and Associates has provided landscape plans pro bono. The Mission Hills Business Improvement Association has guided the design process. The construction cost estimate for the median project is \$60,000. The Washington/Goldfinch Intersection segment is being advertised for bids a second time and has been funded using TransNet and other grant funds. The scope of the project

includes over \$60,000 in crosswalk, curb, gutter and sidewalk improvements, which qualify for funding from the Uptown DIF. DIF Funds are available for allocation to this project.

FISCAL IMPACT:

The proposed action is to increase the FY 2005 CIP budget for CIP-39-216.0, Washington Street Improvements Phase 2 by \$60,000, and authorize the appropriation and expenditure of \$60,000 from the Uptown DIF (Fund 79512) in CIP 39-216.0 for use in constructing the Washington/Goldfinch intersection improvements. This action would make \$60,000 in TransNet funds available from the Washington/Goldfinch segment for use in constructing the median improvements at Washington and India Streets.

CITY ATTORNEY'S RECOMMENDATION:

Adopt the following resolution:

(R-2005-924) ADOPTED AS RESOLUTION R-300199

Authorizing the additional expenditure of an amount not to exceed \$200,000 from the following accounts: \$120,560 from Fund No. 81140; \$50,180 from Fund No. 41506; and \$29,260 from Fund No. 41500, for the purpose of paying attorney's fees for the representation of any past and present City employees related to the interviews and proceedings described above, provided that the City Auditor and Comptroller first furnishes one or more certificates certifying that the funds necessary for expenditure are, or will be, on deposit with the City Treasurer;

Declaring that the authorization for the above attorney's fees is to be suspended if criminal charges are brought against any such past or present City employee, and that the City shall reserve its right to terminate the payment of fees and seek reimbursement of fees paid in the event that criminal charges are brought against any official or employee, or if a conviction is obtained.

SUPPORTING INFORMATION:

In February of 2004, the Securities and Exchange Commission (SEC) and the U. S. Attorney's Office, informed the City that they were undertaking investigations into certain financial disclosure practices by the City. These investigations are ongoing and certain City employees have been asked to participate in interviews and proceedings, including compliance with subpoenas served on past and present employees, related to investigations by the SEC and the U.S. Attorney's Office.

In order to facilitate the conduct of necessary interviews and to cooperate with the ongoing investigations, and yet provide necessary advice to affected City officials and employees, on December 21, 2004, the City Council authorized \$150,000 to pay attorney's fees to one or more law firms to provide independent representation to past and present City employees related to the proceedings described above.

Due to the complexity of the issues and the large number of documents that must be reviewed, the initial request for \$150,000 is not sufficient to provide for attorneys fees necessary to assist the City witnesses during their participation in the proceedings. Accordingly, this 1472 requests an additional amount, not to exceed \$200,000, and will be apportioned among affected past and present employees. The City Attorney will continue to monitor the contracts on behalf of the City. It is also recommended that the City again reserve its right to terminate the payment of fees and seek reimbursement of fees paid in the event that criminal charges are brought against any official or employee, or if a conviction is obtained.
